The show is in our Studio Theatre upstairs. These stairs will lead you upstairs to our Studio Theatre. This is where our show 'Little Tiny Xmas' is on.

This is a show that happens in a big comfy tent. There are three performers.
Here are two of them in the tent.

You can sit or lie down or sit in your mum's arms, whatever you like. Everyone sits in a circle on the floor.

There will be 3 or 4 other children there and their mums or dads will be with them.

It is 22 minutes long.

If you want to go out of the tent during the show that's ok

When you arrive the performers will give you a soft pretend snowball. You can hold it or play with it or give it back to them if you don't want to hold it or play with it...

In the show, three performers will sing and play little bells.

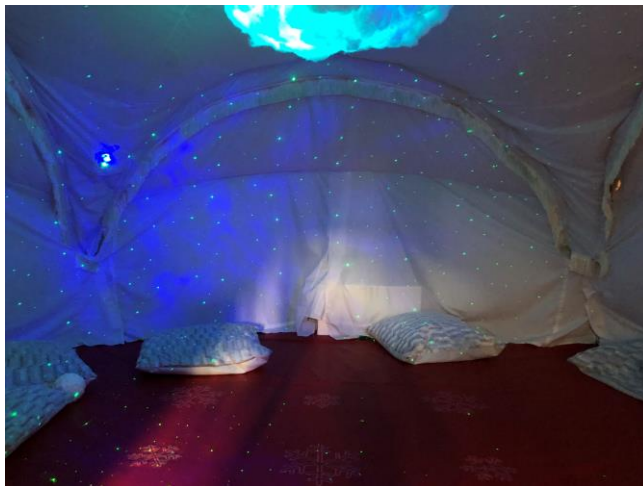

The performers will bring out small soft red blankets. If you like, they will put it on your knees or you can just touch it. But you don't have to.

They also will bring out some interesting objects and play with them - you can look at them and touch them - but only if you want to!

At one time in the show, the yellow lights will go off and there will be little green stars projected on the inside of the tent - it looks like the sky!

When the show finished the performers will tell you that it's finished and that there's some free playtime which you can stay for but you don't have to.
