Important Note: It should be noted that risk in the context of this risk assessment is the risk of "harm" as defined in the Children First Act 2015 and not general health and safety risk.

Section 2 of the Children First Act 2015 defines harm as follows: 'harm means in relation to a child– (a) assault, ill-treatment or neglect of the child in a manner that seriously affects, or is likely to seriously affect the child's health, development or welfare, or, (b) sexual abuse of the child.'

In undertaking this risk assessment, the Board of The Civic has endeavoured to identify as far as possible the risks of harm that are relevant to this arts centre and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the centre has in place the procedures listed in this risk assessment to manage and reduce risk to the greatest possible extent.

This risk assessment has been completed by The Civic on 03/09/2019. It will be reviewed as part of The Civic review of its Child Safeguarding Statement.
