# DRAMA

## DRAMA PHILO

*Presented by Five Lamps Festival and Peter Sheridan*

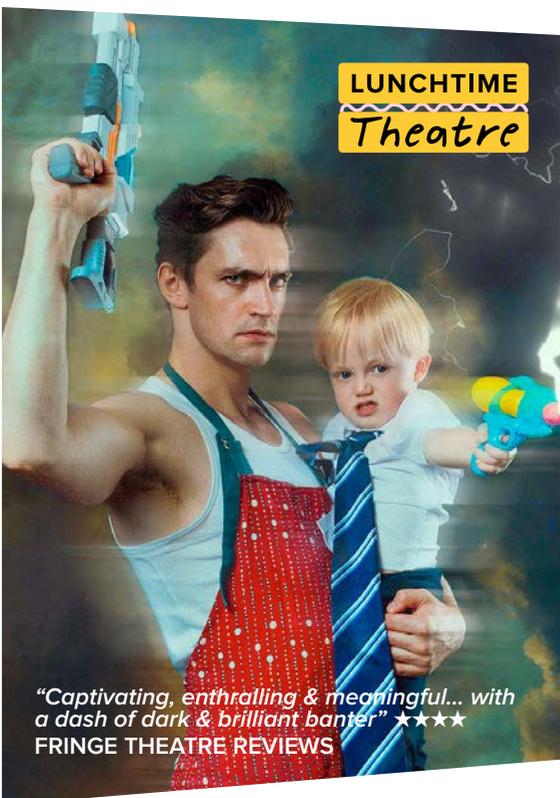

Philo is dyed-in-the-wool inner-city, with a big personality and a big mouth to match. Sister Rosaleen, her boss, is a thoughtful woman who has embraced the religious life in the wake of a failed relationships.

On the face of it, they seem like polar opposites. But they do share one thing; they are both carrying secrets and once the truth of their former lives starts to reveal itself, they find that they have much more in common than they ever thought possible. Their cheerfulness in the face of adversity shines through and brings this drama to a heartwarming resolution.

## DRAMA THE MANNY

*Presented by Sam Mc Ardle*

A black comedy about an Irish male nanny who works for rich single mums in West London. Manny is enjoying a Peter Pan-esque lifestyle of well-paid cash in hand work and settling for meaningless dates with women, all just to disguise himself from the fact that he's letting life go by without following any real purpose. He meets Molly, an actress disillusioned with life, and soon Manny becomes an unlikely role model for Michael, a 7 year old spoilt, seemingly irredeemable product of a loveless marriage. All three face a potential future of unrequited dreams and all three will have their lives changed by the events that occur.
